Design Concept of Patio

ADOPT A PED MALL BRICK AT OLD BRICK!

As Old Brick is approaching its 165th year, we are excited to be adding an expansive outdoor patio to our historic structure! Be a part of Iowa City history by buying a historic brick that will be engraved and laid in the patio. These bricks are historic Iowa City bricks that are reclaimed from the Ped Mall and recycled. We have a limited number of bricks available. Benches are also available and would feature an engraved plaque.
